# IMPORTANT INFORMATION ABOUT THE TOPS EXAMINATION ALTERNATE DATE

Alternate exam date: Monday, November 19, 2018 at 7:30 am.  
Please arrive at 7:00 am

Note: A maximum of 150 students can be accommodated

The alternate exam date is **ONLY** for students who also intend to write the entrance examination for the MaCS program at William Lyon Mackenzie Collegiate Institute. Their entrance examination is also scheduled for Friday, November 16.

In order to write on the alternate date, you **MUST** show proof that you have written the MaCS program entrance examination in the form of the \$20 receipt they issue upon registration. Without this documentation, students will **NOT** be permitted to write the MGCI TOPS entrance examination.

Since we can accommodate a maximum of 150 students, when you register on-line for the TOPS Program, there will be an option to register for the alternate examination date. Sign up will be on a first-come-first-serve basis. A counter will be provided to indicate the number of positions available.

Please contact the TOPS program at [www.topsprogram.ca](http://www.topsprogram.ca) if you need further clarification.
